Quarterly newsletter delivered straight to your inbox to keep you up-to-date on the latest happenings at Candelore's Barking Beauties!

Candelore's Barking Beauties is celebrating 7 years in business!

On March 7, 2015, we opened our very first salon in Elizabeth, PA. Fast forward 7 years later, we've expanded our Elizabeth salon 3 times, we opened our White Oak salon in August 2017, Finleyville opened in July 2019, Monongahela opened in August 2020, and we recently just opened our Irwin location that also provides daycare and boarding services!

As we have grown, we've added 44 great employees and service over 28,000 Barking Beauties regularly. We're looking to open additional locations in 2022 and plan to expand as long as the demand for our business and services continues to grow.

*Thank you for 7 wonderful years of success!
Here's to many more years together.*

WHAT'S NEW?

New and Improved Website

We received feedback that our old website was too cluttered and hard to navigate.

We agreed and just recently redesigned our entire website to make our customer experience so much better!

You can now easily find things like our pricing, hours & locations, and other amazing services we offer like pet insurance, transportation services, and dog training.

Take a look around and let us know what you think. We're always looking for ways we can better serve you - so please send us your feedback, good or bad!

Did you know?

We offer pet insurance options through Eric Ash Agency!

We offer transportation services through K9 Express!

We offer dog training packages through Youngwood Top Dog!

SPRING GROOMING TIPS

Grooming Routine

Spring is finally upon us! With the warmer weather and sunshine moving in, everyone is excited to get outside, including your dogs.

There are a few ways you can get your pet ready for the season change.

Spring is a great time to begin a grooming routine, if you have not already done so.

Shedding increases during the springtime as dogs begin to eliminate their thick coats from the winter. Brushing your dog on a consistent basis helps keep shedding under control.

As with brushing your dog, bathing your dog on a consistent basis helps remove debris or flaked skin that has built up during the winter. Spring is also the perfect time to clean your dog due to the allergen and pollen levels in the environment. Bathing your dog once every three weeks is optimal but every four - six weeks is also an acceptable frequency.

Stop into any of our locations and talk to one of our groomers about getting your dog on a regular grooming schedule to keep them happy and healthy!
